

THE CODRINGTON SCHOOL

THE INTERNATIONAL SCHOOL OF BARBADOS

STATEMENT OF ANNUAL FEES 2022-2023

The below outlines the fees structure for The Codrington School. Fees are quoted in US Dollars, though payment can be made in US Dollars or the Barbadian Dollar equivalent.

Application and Screening Fee **US\$400**

This fee ensures the processing of the application for admission of a new student or of a student returning after an absence of one year or longer. This fee is not refundable.

Reservation Fee **US\$1,050**

Upon being given a “firm acceptance” to the School, this fee assures a student's place for the initial school term for which application is made, provided there is space. This payment is set against the first term's fees. This fee is refundable if a space is not available. This is not refundable if there is space and the student decides not to take up said space.

Admission Fee **US\$2,250 - US\$6,000**

A capital assessment fee is levied at the date of entrance for students who have not previously attended The Codrington School. This fee is currently set between US\$2,250 and US\$6,000. Parents/guardians are encouraged to pay at the top level of US\$6,000 but must pay at least the minimum fee of US\$2,250.

Resource Fee **US\$75**

This annual payment contributes towards books, materials, learning resources and field trips.

Annual Capital Levy **US\$1,000**

For missions/Embassies with more than 10 students enrolled in the school in an academic year, a Capital Levy is payable for each student within said mission/Embassy each academic year. Missions/Embassies liable for this fee for students enrolled in Codrington will not be liable for the annual Resource Fee for those students. Codrington's Capital Levy fees are dedicated to the current capital maintenance, capital equipment and physical infrastructure of the school as well as supporting future capital facility improvement projects

EAL Fee **US\$750**

This is an additional fee that will be charged to the students for whom English is not their first language and who require extra EAL support.

SEN Fee **US\$750**

This is an additional fee that will be charged to those students with a Formal Educational assessment who are receiving additional support (in the form of both “in class” and “pull out” sessions) to meet their needs and learning styles.

Notes

1. There are three tiers of fees:
 - (a) Full Fees: payable by students who are not Barbadian or Caricom Nationals;

- (b) Caricom Fees: applicable to children who are not Barbadian but who are Caricom Nationals.
- (c) Barbadian Fees: applicable to children who are Citizens of Barbados.

2. There is no proration of fees for students who leave early in the term or arrive after the term has started
3. Most curricular costs, field trips and materials are funded by the school and the "Resource Fee" assists in this matter. All swimming costs are funded in full by the school.
4. Payment may be made by cash, cheque, credit card. Or via wire transfer
5. A student's place in school may be forfeited if the fees are not paid on time, particularly if there is a waiting list for any particular year level. In any case, a late fee of 1.5% per month, or part of a month, per student, is levied when fees are not paid on the due date (or, in the case of a new student, within two weeks of acceptance). Thus, for example, fees paid five weeks late attract a late fee of 3%. If fees are not paid before the first day of term, the student's name will not appear on class lists and he/she will not be allowed to attend school until the fees are paid in full.
6. All fees in connection with external examinations are payable by parents/guardians.
7. Additional fees will be added in DP for participation in online (Pamoja) courses and/or Design.
8. For Graduating students (DP2 only) all fees for the academic year need to be paid by the 18th March in order for the student to be entered and allowed to sit their final IB examinations; receive an IB Diploma/Certificates and to graduate from Codrington. If fees are not paid before this date students will be withdrawn from the IB and the school.
9. The school is keen to encourage the attendance at The Codrington School of large families. In cases where there are three or more children from a family registered as fee-paying students at the school at the same time a bursary of 10% of the relevant fee level will be applied to each child upon request.
10. A full term's notice in writing or the fee for one full term in lieu of notice is required before **withdrawing a student**. Withdrawal forms are available from the director of admissions at the school (admissions@codrington.edu.bb). School records are normally released only if all withdrawal protocols have been met.
11. New students entering during the course of the school year will receive an invoice upon entry, payment of which is required within two weeks of acceptance.
