# The Pelican Brief

The Codrington School ~ PYP Newsletter

Dear PYP Parents,

It was a delight to see so many of the Codrington community on campus this morning for our annual PYP 8 Exhibition. One of the most disappointing aspects of the COVID situation over the past two years has been the restrictions on campus visits. We have always enjoyed a close connection with our parent community so it's been frustrating not having them on our side of the wall in recent times. We hope that situation will change for September.

The PYP 8 students put on a wonderful performance this morning. Parents, grandparents, family and friends were all impressed by the student's engaging presentations on the UN's Sustainable Development Goals. The feedback we've received so far has been very positive. A huge shout out to Ms. Heather for her meticulous planning and preparation to ensure it was another memorable Exhibition.

We now switch our focus to next week's Parent/Teacher conferences. Our faculty are looking forward to updating parents on their child's progress and academic standing since the previous report in December.

Have a great weekend.

Regards,  
Rob Fuller  
Head of Primary

## The Paz Award

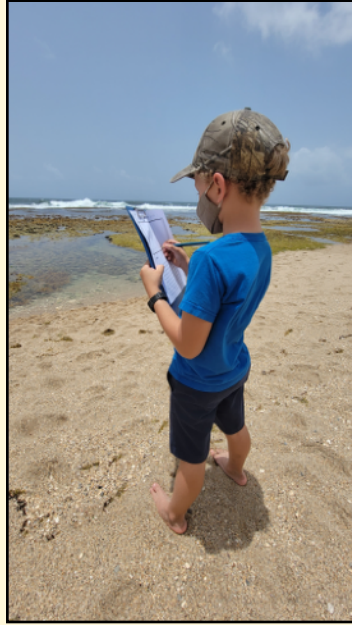

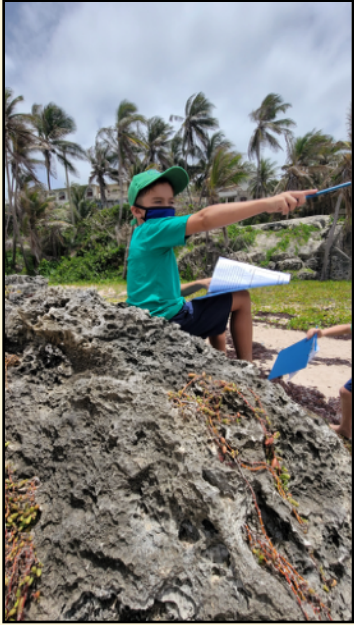

Our PYP 8 class was presented with the class of the week award this week as recognition for their stellar efforts with their PYP Exhibition.

Congratulations to Ms. Heather and her students for a super effort over the past 6 weeks, culminating in today's fantastic Exhibition.

## PYP 5 - Back to Bathsheba

It was back to Bathsheba beach for Ms. Suzie and her PYP 5 students on their field trip on Thursday. It was a follow-up expedition to their previous visit on April 25 when they experienced high tide. Today their mission was to observe and document low tide and compare and contrast it with last month's high tide. This community-minded group of inquirers finished their work at Bathsheba by cleaning up all the trash with a beach clean-up (followed by a picnic lunch!!).

PYP 8 Exhibition

## Birthdays Galore

It's been a big week of birthdays in the Primary School with Mazie (PYP 2), Oliver (PYP 3) and Mia (PYP 3) celebrating another lap around the sun. We maintained the Codrington tradition of singing Happy Birthday to the students at line-up after break.

## Environmental Warriors

A determined group of young ladies from PYP 7 & PYP 8 have stepped forward and formed their own litter patrol around campus. Avery, Ryan, Zuli, Irene, Kaija, Sara, Jaime, Alexandra & Ali have named themselves the Environmental Warriors and often spend their break time tidying up the campus. It's a great, selfless initiative and an excellent example of student 'action' in the Primary School. Well done, Warriors!

## House Team Points Totals - 20th May 2022

There has been another twist in the House team competition this week with Elliot-Sealy taking over the top spot. That's the third different competition leader in the past three weeks. The next five weeks will be fascinating to see who emerges as the Term 3 Champions.

*Maia, Kourosh and Iancu display the current scores for their respective teams*

### Important Dates

**27th May:** Parent Teacher Conferences

**6th June:** Whit Monday National Holiday

**24th June:** End of Term 3. Final day of school (noon dismissal)
