

## **TCS UNIFORM POLICY**

A student's appearance makes an impression on others and contributes to an atmosphere which shows respect for personal standards and consideration for the school environment. We want all parents and visitors, as well as fellow students, to sense this school pride. The school determines what is appropriate dress and appearance, irrespective of current trends. Students and parents are encouraged to ask questions of teachers and administrators as to whether any particular items may be acceptable. The decision of the Head of School is final in all acceptability discussions. **To order uniforms and to arrange a fitting** please email our uniform manager Ms Dawn: [dawn.medford@codrington.edu.bb](mailto:dawn.medford@codrington.edu.bb)

### **The Codrington School Uniform**

Class	Regular uniform		Gym uniform	
	Boy	Girl	Boy	Girl

DP 1 & 2	Navy blue shorts plus white polo shirts with a school crest. White socks.	At the knee navy blue skorts plus white polo shirts with a school crest. White socks	Dark blue shorts plus house T-shirt	Dark blue shorts plus house T-shirt

- **PYP Hats:** A hat **must** be worn by all PYP students during outdoor PE and at other times when out in the sun – *e.g.* recess and lunch.
- **Shoes:** All students must wear enclosed shoes or running shoes.
- **MYP Performing Arts Clothing** - For performing arts lessons students may wear a black lightweight T-shirt and long lightweight black leggings/ exercise trousers or black shorts. Students can go barefoot or wear non-slip socks. This clothing must be changed after class at the nearest possible break time.
- House t-shirts may be worn in lieu of white shirts on Friday's only.

**Additional information for Secondary School students:**

- In cooler times (or if necessary) students may wear a school sweatshirt
- Can wear plain hats/caps but only appropriately and in non-formal situations, not generally in the buildings or in lessons
- Jewellery: can generally wear appropriate items
- Hair: must have appropriate hairstyles

*Make-up, nail length & nail polish:*

MYP 1, 2 & 3 students may wear clear nail polish but generally no make-up.

MYP 4 & 5 students may wear clear nail polish & make-up that is subtle & appropriate for school.

DP1 & 2 students may wear coloured nail polish & make-up that is appropriate for school.

All students' nail lengths should not be too long, due to their involvement in practical subjects.

Please note that we do have non-uniform days throughout the school year.

On such days, students should still wear attire that is appropriate to the school setting, so that would include closed-toe shoes and would generally not involve a student wearing sleeve/short/skort/dress/skirt lengths less than he/she normally would when wearing his/her normal school uniform. Such a stance is to maintain protection against the same health & safety issues that could present themselves in the school day, but still respect that we are working in a Caribbean climate.

Revised September 2024. (NL)
